

Do you require flexible housing support and live in East Glasgow?

# Turning Point Scotland can provide **flexible housing support** – from the point of crisis, through tenancy sustainment, to longer term support

We will work together to identify your individual housing support needs and reduce the risk to you of becoming homeless. We offer...

## **Flexibility**

We can offer support 24 hours a day, 7 days a week

## **Consistency**

You will have access to a dedicated named worker.

## **Value for money**

If you have a self-directed support budget, we can build a plan that meets your needs and is within your budget.

**This is what some people have said about our housing support:**

*"I find it really good; they are always there for back up".*

*"The support staff encourages you to be independent".*
