

Rosie's Social Enterprises Aberdeen is part of the charity Turning Point Scotland. We provide vocational training, support and work experience for people recovering from mental illness or acquired brain injury. We operate as professional businesses and our trading activities provide income which supplements the funding that is provided through our commissioners: Aberdeen City Council, Aberdeenshire Council and The Big Lottery.

People supported at Rosie's are offered a placement and during that time they will grow in confidence and develop both existing and new skills whilst receiving one-to-one person-centered support. We will tailor the placement to fit the person, work with the strengths of the individual and work within Turning Point Scotland's value to deliver a first-class service. Placements are available at Rosie's Café, Rosie's Framers & Crafts workshops/gift shop, and our latest enterprise, Rosie's Wedding Stationery.

This leaflet is available in alternative formats. Please contact the Communications Department on **0141 427 8200**.
